

We'd like to take a moment to farewell David Oxenham back to his native Queensland. Dave provided excellent chiropractic care and was able to enhance the health of many on the Central Coast during his two years at Champion Chiropractic Centre. I'm sure you'll all join us in wishing Dave all the very best in his position at New Farm Chiropractic Centre in Brisbane (and on the family farm on the weekends).

Dave would like to thank all his patients for making his time at Champion Chiropractic Centre such a pleasure. To those of you he didn't get a chance to bid farewell he would like us to pass on his best wishes.
